themselves, turn from their sin, and receive Jesus into their hearts for salvation. Afterwards, each family in attendance will be given a delicious take-home Thanksgiving feast including a whole turkey and all the fixings to go with it (like stuffing, mashed potatoes, gravy, fresh vegetables, pumpkin pie, and/or anything else the Lord provides for families that day). This bulk-food-style giveaway enables families to prepare and share this special holiday meal at home with their children and loved ones on Thanksgiving Day while gathered around their own table.

If you would like to be a part of donating food items or turkeys, volunteering, or helping financially support this event, please contact Michelle at **760-398-3352**, email us at **jomi@jordanoutreach.org** or click the donate button on our website at **www.jordanoutreach.org**. However you give, however you help...thank you in advance for being a part of what Jesus is doing here at Jordan Outreach Ministries to minister to impoverished families and children.

We Need...YOU!

What a blessing it is to pour into the lives of young people each and every week during Kids Klub. For some kids in attendance, it's the only positive encounter they will have all day. Between school bullying, peer pressure, neighborhood fighting, and highly dysfunctional home lives, many of these hungry hearts just need someone to take the time to love them. That may seem like a heavy responsibility but that heaviness is lightened by the joy received when one of these kids returns a smile.

We have kids coming (and wanting to come) from all over the east valley (including Indio, Coachella, Thermal, Mecca, and North Shore) but with approximately 95% of them having to depend on our free transportation in order to participate, we just can't reach them all. In fact, during our recent Back To School event we had over 40 children from the city of Indio alone sign up for Kids Klub but we had to turn them away and put them on a waiting list instead because we didn't (and still don't) have a volunteer driver for that area.

Currently, we have Pastor Rob (our youth pastor) driving a 40-passenger bus and/or one of two large vans to pick up children and our vehicles have become a welcome site in many neighborhoods – but he's only one guy who can only be in one place at one time. We would absolutely love, love, love to have every one of our 3 transport vehicles on the road picking up kids three days and reach more kids for Jesus, but we can't do it without your help. Will you please prayerfully consider being a driver for Jesus through Jordan Outreach Ministries and be an integral part of blessing impoverished children in our valley? God bless! 😊
